Konu: Kanada-Dikişli Karbon Çelik Boru Anti-Damping Gözden Geçirme Soruşturması

Sayın Üyemiz,

T.C. Ticaret Bakanlığı İthalat Genel Müdürlüğünden alınan bir yazıda, Kanada tarafından ülkemiz menşeli “**Dikişli Karbon Çelik Boru**” ithalatına karşı yürütülen anti-damping soruşturması neticesinde 16 Şubat 2019 tarihinden itibaren ülkemiz firmaları için %3,3 ila %45,8 arasında değişen oranlarda anti-damping önlemi tatbik edilmesine hükmedildiği hatırlatılmaktadır. Bu defa, Kanada Uluslararası Ticaret Mahkemesi (CITT) tarafından aralarında ülkemizin de bulunduğu mezkûr önleme tabi ülkelere yönelik olarak bir nihai gözden geçirme soruşturması açılmasına karar verildiği belirtilmekte ve anılan Mahkemenin ilgili kararı ekte iletilmektedir.

Devamla, Kanada Sınır Hizmetleri Ajansı (CBSA) tarafından, mevcut önlemin kalkmasının dumpingin devam etmesine veya yeniden meydana gelmesine yol açıp açmayacağına ilişkin bir soruşturma yürütülecek olduğu, mezkûr soruşturma neticesinde alınacak karar doğrultusunda CITT tarafından zarara ilişkin ayrı bir soruşturma yürütüleceği ifade edilmektedir. Bu kapsamda konu hakkında CBSA tarafından yayımlanan 12 Aralık 2023 tarihli Soruşturmanın açıldığına ilişkin bildirim <https://www.cbsa-asfc.gc.ca/sima-lmsi/er-rre/cswp32023/cswp32023-ni-eng.html> bağlantısında yer almaktadır.

Bu çerçevede, CBSA tarafından yürütülecek olan Soruşturma kapsamında ilgili taraf olmak isteyen ve soru formları CBSA tarafından yazılı olarak kendilerine iletilmeyen ihracatçılarımızın CBSA SIMA Kayıt ve Açıklama Birimi'nin e-posta adresine (simaregistry-depotlmsi@cbsa-asfc.gc.ca) bu taleplerini iletmeleri istenmiş olduğu, anılan soru formunun 18 Ocak 2024 tarihine kadar yanıtlanarak CBSA'ya iletilmesi gerektiği belirtilmektedir.

Kanada tarafından anti-damping önlemlerine ilişkin olarak yürütülen nihai gözden geçirme soruşturmalarına yönelik daha ayrıntılı bilgiye <https://www.citt-tcce.gc.ca/en/anti-dumping-injury-inquiries/expiry-review-guidelines> ve <https://www.cbsa-asfc.gc.ca/sima-lmsi/expg-ldexp-eng.html> bağlantılarından ulaşılabileceği bildirilmektedir.

Bilgilerini rica ederim.

NOTICE OF EXPIRY REVIEW OF FINDING

CARBON STEEL WELDED PIPE III

The Canadian International Trade Tribunal gives notice that, pursuant to subsection 76.03(1) of the *Special Import Measures Act* (SIMA), it will initiate an expiry review of its finding made on February 15, 2019, in inquiry NQ-2018-003, concerning the dumping of carbon steel welded pipe, commonly identified as standard pipe, in the nominal size range from ½ inch up to and including 6 inches (12.7 mm to 168.3 mm in outside diameter) inclusive, in various forms and finishes, usually supplied to meet ASTM A53, ASTM A135, ASTM A252, ASTM A589, ASTM A795, ASTM F1083 or Commercial Quality, or AWWA C200-97 or equivalent specifications, including water well casing, piling pipe, sprinkler pipe and fencing pipe, but excluding oil and gas line pipe made to API specifications exclusively, originating in or exported from the Islamic Republic of Pakistan, the Republic of the Philippines, the Republic of Türkiye (excluding those goods exported by Erbosan Erciyas Boru Sanayii ve Ticaret A.S.) and the Socialist Republic of Vietnam (the subject goods).

In this expiry review, the Canada Border Services Agency (CBSA) will first determine whether the expiry of the finding in respect of the subject goods is likely to result in the continuation or resumption of dumping of the subject goods. If the CBSA determines that the expiry of the finding in respect of any goods is likely to result in the continuation or resumption of dumping, the Tribunal will then determine if the continued or resumed dumping is likely to result in injury to the domestic industry. The CBSA will provide notice of its determination within 150 days after receiving notice of the Tribunal's initiation of the expiry review, that is, no later than **May 9, 2024**. The Tribunal will issue its order and its statement of reasons no later than **October 16, 2024**.

Each person or government wishing to participate in this expiry review must file [Form I—Notice of Participation](#) with the Tribunal by **January 5, 2024**. **Regarding the importance of the deadline for filing a notice of participation, please read carefully the “Support by domestic producers” section below.** Each counsel who intends to represent a party in the expiry review must file [Form II—Notice of Representation](#) and [Form III—Declaration and Undertaking](#) with the Tribunal, by **January 5, 2024**. The Tribunal will issue a list of participants shortly thereafter.

On **July 2, 2024**, the Tribunal will distribute the record to participants. Counsel and self-represented participants are required to serve their respective submissions on each other on the dates outlined below. Public submissions are to be served on counsel and those participants who are not represented by counsel. Confidential submissions are to be served only on counsel who have access to the confidential record, and who have filed Form III—Declaration and Undertaking with the Tribunal. This information will be included in the list of participants. **One complete electronic version** of all submissions must be filed with the Tribunal.

The Tribunal will hold a public hearing relating to this expiry review commencing on **August 6, 2024**. The type of hearing will be communicated at a later date.

Written submissions, correspondence and requests for information regarding the Tribunal's portion of this expiry review should be addressed to the Registry, Secretariat to the Canadian International Trade Tribunal, at citt-tcce@tribunal.gc.ca or you may reach the Registry at 613-993-3595.

ADDITIONAL INFORMATION

BACKGROUND INFORMATION

In this expiry review, the CBSA will first conduct an investigation to determine whether the expiry of the finding in respect of the subject goods is likely to result in the continuation or resumption of dumping of the subject goods. To this end, the CBSA will send questionnaires to domestic producers, importers and foreign producers to gather information for its investigation. Further information regarding the CBSA's investigation can be obtained by contacting the CBSA SIMA Registry and Disclosure Unit, by telephone at 613-948-4605, or by email at simaregistry-depotlmsi@cbsa-asfc.gc.ca. A copy of the CBSA's investigation [schedule](#) is available on the CBSA's website.

If the CBSA determines that the expiry of the finding in respect of any goods is likely to result in the continuation or resumption of dumping, the Tribunal will conduct its portion of the expiry review, pursuant to the provisions of SIMA and its [Expiry Review Guidelines](#), to determine if the continued or resumed dumping of the subject goods is likely to result in injury to the domestic industry. Upon receipt of the CBSA's determination, if any, of a likelihood of continued or resumed dumping, the Tribunal will issue other questionnaires to domestic producers, certain importers, foreign producers, as well as any known trade unions that represent persons employed in the domestic industry, to gather information for the purposes of its expiry review.

The schedule for the Tribunal's expiry review follows.

SUPPORT BY DOMESTIC PRODUCERS

Subsection 76.03(2) of SIMA provides that the Tribunal may terminate an expiry review at any time if, in the Tribunal's opinion, the review is not supported by domestic producers. The question as to whether the expiry review is supported by domestic producers will be assessed by the Tribunal based on the circumstances specific to this case. However, the Tribunal will typically consider that the failure of domestic producers to file notices of participation with the Tribunal or to substantially participate in the expiry review indicates that the review is not supported.

The Tribunal therefore requires that each person or government wishing to participate in this expiry review and, most importantly, domestic producers, file their notices of participation no later than January 5, 2024.

REQUESTS FOR PRODUCT EXCLUSIONS

The Tribunal's [Guidelines on Product Exclusion Requests](#) describe the procedure for filing requests for specific product exclusions. [Forms](#) are available on the Tribunal's website to facilitate the filing of product exclusion requests, responses and replies to responses.

PROCEDURE FOR E-FILING WITH THE TRIBUNAL

The public, counsel and self-represented participants may file documents electronically with the Tribunal through its [Secure E-filing Service](#). The information is fully encrypted from the sender to the Tribunal.

Form I—Notice of Participation, Form II—Notice of Representation and Form III—Declaration and Undertaking, should all be filed electronically through the Tribunal's Secure E-filing Service.

Following receipt of completed forms I, II and III, the Tribunal will send to counsel and self-represented participants a letter with information on the E-registry Service and the filing of documents.

CONFIDENTIALITY PROJECT

The Tribunal will be conducting a project in the context of this expiry review aiming to prevent inadvertent disclosure of confidential information. Public and confidential submissions will go through a review process, 24 hours before the filing deadline with the Tribunal, among counsel of record who have filed Form III—Declaration and undertaking. All counsel of record to this expiry review who filed a form III will be required to participate in the project. Additional information concerning the project and its deadlines will be communicated to counsel and self-represented participants following the receipt of completed forms I, II and III. The schedule appended to this notice has also been prepared to take into account the deadlines for service among counsel who signed a form III.

PUBLIC HEARING

The Tribunal will hold a public hearing relating to this expiry review commencing on **August 6, 2024**. The type of hearing will be communicated at a later date.

INTERPRETATION AT THE HEARING

To facilitate management of interpretation requirements:

- 25 days prior to the hearing, parties are to advise the Tribunal and all parties, in writing, which language(s) their counsel and witnesses will be using.
- 20 days prior to the hearing, parties are to advise the Tribunal and all parties, in writing, which interpretation services they and/or their witnesses require for the hearing and advise if the interpretation service is required for the entirety of the hearing or for specific testimonies and/or arguments.
