Event Features

Conference

The conference gathers leading governments, manufacturers across F&B, Pharmaceuticals, Fashion, Finance, Tourism, Cosmetics, Ingredients, retail, supply chain and logistics leaders from Africa, Americas, Asia Pacific, Europe and the Middle East.

The programme will address the harmonisation of global Halal standards across manufacturing, supply chain and logistics to assure integrity of products to consumers around Africa and the world.

Cooking Theatre

Home cooks will fire up the Cooking Theatre with live cooking demos of their favourite dishes using alternative halal ingredients. The challenge's ultimate purpose is both to re-enforce the culinary skill and knowledge of halal cuisines, as well as to introduce novel ingredients to create alternative halal ingredients. The theatre marks the big comeback of taste. Or rather, tastes: tastes that are new and powerful, to bring new "pleasure experiences"

Business Presentation Hub

Business presentation hub at the Halal Trade, Logistics and Manufacturing Expo offers attendees the chance to learn about the latest halal products and innovations from industry experts in a relaxed and friendly setting. Spread across 18 sessions, exhibiting companies will demonstrate their latest products and developments to the halal industry, live and in-person.

PRESS NOTICE

REQUEST FOR PROPOSALS

(RFP 10-2023/2024)

**Development and Operation (design, build, finance, manage,
maintain and operate of a Modern Urban Terminal at La Vigie,
Curepipe**

Project Description

The implementation of the Metro Express Project has given rise to opportunities for the redevelopment of a strategic area in the town centre into a modern urban terminal.

As a major transport interchange at this most strategic part of the town centre, the La Vigie, Curepipe Urban Terminal is expected to be an iconic building, accommodating a mixed-use development. This project would contribute to the revitalization of the town centre, enhance the town centre image and identity by introducing high standards of building design and improvements to the public realm, facilities for pedestrians, cyclists and persons with disabilities thus enabling a more efficient use of state lands, seamless public transport and facilities and highway infrastructure.

The Government of the Republic of Mauritius wishes to induce active private sector participation and mobilise private investment in national infrastructure development projects with a view to modernising the economy and fueling creation of employment while promoting social integration in the mainstream economy.

In this connection and on behalf of the Government of the Republic of Mauritius, the Ministry of Local Government and Disaster Risk Management is inviting proposals from promoters having the necessary experience, expertise and resources for the development and operation of a modern Urban Terminal at La Vigie, Curepipe.

The Government will put at the disposal of the selected promoter land on lease on such terms and conditions as defined in the Request for Proposals document. However, the Government of the Republic of Mauritius will not participate, either directly or indirectly, in the funding or financing of the project at any part or stage of the development apart from the incentives detailed in the Request for Proposals (RFP).

Submission of Proposals and Closing Date

The Request for Proposals document may be downloaded free of charge from the public procurement website: publicprocurement.govmu.org

Prospective Applicants may submit their proposals either on their own or jointly with other firms or parties. The nature of any existing or intended partnership or joint venture arrangement/consortium shall be specified at the time of submitting the proposal, and a letter or agreement or intent signed by all participating parties in the partnership or joint venture, under the seal of an attorney, shall be submitted together with the promoter's proposal.

Applications in English language and clearly marked "**Request for Proposals for Development and Operation (design, build, finance, manage, maintain and operate of a Modern Urban terminal at La Vigie, Curepipe**" should be deposited in the **Bid Box**, in original plus **2 copies at the following address on or before Tuesday 28 May 2024 by 14hr00 (local time) at latest:**
