Konu: ABD İnşaat Demiri Sübvansiyona Karşı Telif Edici Önlem

Mersin, 05/09/2025

Sayın Üyemiz,

T.C. Ticaret Bakanlığı İthalat Genel Müdürlüğünden alınan bir yazıda, Amerika Birleşik Devletleri (ABD) tarafından Meksika ve ülkemiz menşeli **“İnşaat Demiri” (7213.10, 7214.20 ve 7228.30 gümrük tarife istatistik pozisyonunda yer alan)** ithalatına karşı 2014 yılından bu yana sübvansiyona karşı telif edici önlem uygulanmakta olduğu, Dünya Ticaret Örgütü (DTÖ) Sübvansiyonlar ve Telif Edici Önlemler Anlaşması’nın ilgili hükümlerine göre ABD makamları tarafından önlemin devamının gerekliliğini incelemek amacıyla 2 Eylül 2025 tarihi itibarıyla nihai gözden geçirme soruşturmaları (sunset review) başlatılmış olduğu, mezkur soruşturmalar sonucunda bahse konu önlemin yürürlükten kalkmasının ihtimal dahilinde olduğu ifade edilmektedir.

ABD’nin ilgili mevzuatları uyarınca sübvansiyon soruşturmalarında sübvansiyonun mevcudiyeti ile zararın mevcudiyeti iki ayrı kurum tarafından incelendiği ABD Ticaret Bakanlığı (DOC) Uluslararası Ticaret İdaresi (ITA) tarafından sübvansiyonun mevcudiyetine yönelik, Uluslararası Ticaret Komisyonu (ITC) tarafından ise mevcut sübvansiyon uygulamalarının ABD yerli üretimine zarar verip vermediğine yönelik ayrı soruşturmalar yürütüldüğü belirtilmektedir.

Bu çerçevede, adı geçen ABD’li kurumlar tarafından 2 Eylül 2025 tarihli ABD Resmi Gazetesi’nde yayımlanan ve birer örneği ekte gönderilen bildirimlerle ülkemiz menşeli **“İnşaat Demiri”** ithalatına karşı uygulanmakta olan Sübvansiyona karşı telif edici önleme yönelik nihai gözden geçirme soruşturmaları (sunset review) başlatıldığı idilmektedir.

Bahse konu açılış bildirimlerinin incelenmesinden de anlaşılacağı üzere, bu süreçte ITA ve ITC, ilgili taraflarca verilen cevapların “yeterli” olup olmadıklarının incelenmesini müteakip bir “tam gözden geçirme soruşturması” (full review) veya bir “hızlandırılmış gözden geçirme soruşturması” (expedited review) yürütülmesine karar verdiği ifade edilmektedir. Bahse konu cevapların yeterli sayılabilmesi için normalde ülke hükümetinin yanı sıra, soruşturma konusu ürün ihracatçısı firmaların (soruşturma açılışından önceki son 5 sene içerisinde ABD’ye gerçekleştirilen soruşturma konusu ürün ihracatının en az %50’sini gerçekleştiren firmaların) da nihai gözden geçirme soruşturmasına taraf olması gerektiği belirtilmektedir. İhracatçı ülke hükümeti ile firmaların soruşturmaya taraf olmaması ya da taraf olmalarına rağmen verdikleri cevapların “tam ve kapsamlı” (complete substantive responses) niteliği bulunmaması durumunda, ABD otoritelerince “tam gözden geçirme soruşturması” (full review) yerine “hızlandırılmış gözden geçirme soruşturması” (expedited review) yürütülmesine karar verilebileceği ifade edilmektedir. Hızlandırılmış gözden geçirme soruşturmasının yürütülmesi durumunda, mezkur otoritelerin soruşturmaya ilişkin kararlarını “mevcut en iyi bilgilere” (facts available) dayanarak aldığı belirtilmektedir. Bu çerçevede firmalarımızca, soruşturmaya taraf olunması ve cevaplandırılması gereken soruların yanıtlandırılmasının büyük önem arz ettiği belirtilmektedir.

Mersin, 05/09/2025

Bu itibarla, sübvansiyonun mevcudiyetini değerlendirecek olan ITA'nın yürüteceği soruşturmaya taraf olmak isteyenlerin, soruşturma açılış bildiriminin ABD Resmi Gazetesi'nde yayımlanmasından itibaren **(2 Eylül 2025) en geç 10 gün içerisinde** ITA ile temasa geçerek soruşturmaya taraf olma niyetlerini yazılı olarak sunmaları gerektiği bildirilmektedir. Taraf olunmasını müteakip ilgili tarafların "tam ve kapsamlı" (complete substantive responses) yanıtlar sunabilmeleri için soruşturma açılış bildiriminin ABD Resmi Gazetesi'nde yayımlanmasından itibaren (2 Eylül 2025) 30 gün içerisinde ABD'nin 19 CFR 351.218 (d)(3) simgeli mevzuatında yer alan soruları yanıtlarak ABD makamlarına sunmaları gerektiği bildirilmektedir.

Ayrıca, zararın mevcudiyetini değerlendirecek olan ITC'nin yürüteceği soruşturmaya taraf olmak isteyenlerin soruşturma açılış bildiriminin ABD Resmi Gazetesi'nde yayımlanmasından itibaren **(2 Eylül 2025) 21 gün içerisinde** ITC ile temasa geçerek soruşturmaya taraf olma niyetlerini yazılı olarak sunmaları ve 2 Ekim 2025 tarihine kadar ise ekte kayıtlı Resmi Gazete'de yayımlanan soruları cevaplayarak ITC'ye iletmeleri gerektiği belirtilmektedir.

Bilgilerini rica ederim.

Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the pertinent statute and Commerce's regulations, Commerce's schedule for Sunset Reviews, a listing of past revocations and continuations, and

current service lists, available to the public on Commerce's website at the following address: <https://enforcement.trade.gov/sunset/>. All submissions in these Sunset Reviews must be filed in accordance with Commerce's regulations regarding format, translation, and service of documents. These rules, including

electronic filing requirements via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS), can be found at 19 CFR 351.303.

In accordance with section 782(b) of the Act, any party submitting factual information in an AD/CVD proceeding

¹ See *Administrative Protective Order, Service, and Other Procedures in Antidumping and*

Countervailing Duty Proceedings; Final Rule, 88 FR 67069 (September 29, 2023).

must certify to the accuracy and completeness of that information. Parties must use the certification formats provided in 19 CFR 351.303(g). Commerce intends to reject factual submissions if the submitting party does not comply with applicable revised certification requirements.

Letters of Appearance and Administrative Protective Orders

Pursuant to 19 CFR 351.103(d), Commerce will maintain and make available a public service list for these proceedings. Parties wishing to participate in any of these five-year reviews must file letters of appearance as discussed at 19 CFR 351.103(d). To facilitate the timely preparation of the public service list, it is requested that those seeking recognition as interested parties to a proceeding submit an entry of appearance within 10 days of the publication of the Notice of Initiation. Because deadlines in Sunset Reviews can be very short, we urge interested parties who want access to proprietary information under administrative protective order (APO) to file an APO application immediately following publication in the **Federal Register** of this notice of initiation. Commerce's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304–306. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹

Information Required From Interested Parties

Domestic interested parties, as defined in sections 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b), wishing to participate in a Sunset Review must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with Commerce's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, Commerce will automatically revoke the order without further review.²

If we receive an order-specific notice of intent to participate from a domestic interested party, Commerce's regulations provide that *all parties* wishing to participate in a Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that Commerce's information requirements are distinct from the ITC's information requirements. Consult Commerce's regulations for information regarding Commerce's conduct of Sunset Reviews. Consult Commerce's regulations at 19 CFR part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at Commerce. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).³ An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the day on which it is due.

In prior proceedings we have encouraged interested parties to provide an executive summary of their comments, including footnotes. In these sunset reviews, we request that interested parties provide at the beginning of their comments, an executive summary for each issue raised in their comments. Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the decision memorandum that will accompany the notice to be published in the **Federal Register**. Finally, we request that interested parties include footnotes for relevant citations in the public executive summary of each issue.

Abstract: A management framework that allows the public to experience the unique winter resources and recreational opportunities at Yellowstone National Park is governed by NPS regulations codified in 36 CFR 7.13, “Yellowstone National Park.” Access to most of the park in the winter is limited by distance and the harsh winter environment which presents challenges to safety and park operations.

In response, the NPS provides opportunities for park visitors to experience Yellowstone in the winter via over-snow vehicles (snowmobiles and snow coaches, collectively OSVs). 36 CFR 7.13 includes provisions that allow greater flexibility for commercial tour operators, provide mechanisms to make the park cleaner and quieter during the winter seasons, reward OSV innovations and technologies, and allow increases in visitation. All OSVs operating in the park are required to meet air and sound emission standards and be accompanied by a guide.

The NPS will use Form 10–650, “OSV Monthly Use Report” to ensure that OSVs meet NPS emission standards to operate in the park. Commercial OSV operators must complete the Form 10–650, “OSV Monthly Use Report” to:

- Transportation Events (§ 7.13(l)(11)(i)–(iii))
- Emission and Sound Standards (§ 7.13(l)(4)(vii) and (5)) and
- Enhanced Emission Standards. (§ 7.13(l)(11)(iv)).

Form 10–650, “OSV Monthly Use Report,” form collects information to: (1) ensure that OSVs meet NPS emission standards to operate in the park; (2) evaluate commercial tour operators’ compliance with allocated transportation events and daily and seasonal OSV group size limits; (3) ensure that established daily transportation event limits for the park are not exceeded; (4) confirm that commercial tour operators do not run out of authorizations before the end of the season and create a gap when prospective visitors cannot be accommodated; and (5) guarantee compliance with applicable laws and regulations.

Steel Concrete Reinforcing Bar From Mexico and Turkey; Institution of Five-Year Reviews

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it has instituted reviews pursuant to the Tariff Act of 1930, as amended, to determine whether revocation of the countervailing duty order on steel concrete reinforcing bar (“rebar”) from Turkey and revocation of the antidumping duty order on rebar from Mexico would be likely to lead to continuation or recurrence of material injury. Pursuant to the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission.

DATES: Instituted September 2, 2025. To be assured of consideration, the deadline for responses is October 2, 2025. Comments on the adequacy of responses may be filed with the Commission by November 14, 2025.

FOR FURTHER INFORMATION CONTACT: Kenneth Gatten (202–708–1447), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for this proceeding may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On November 6, 2014, the Department of Commerce (“Commerce”) issued an antidumping duty order on imports of rebar from Mexico (79 FR 65925) and a countervailing duty order on imports of rebar from Turkey (79 FR 65926). Following the five-year reviews by Commerce and the Commission, effective October 22, 2020, Commerce issued a continuation of the countervailing duty order on imports of rebar from Turkey and the antidumping duty order on imports of rebar from Mexico (85 FR 67334). The Commission is now conducting its second reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the

Commission's Rules of Practice and Procedure at 19 CFR part 201, subparts A and B, and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

Definitions.—The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by Commerce.

(2) The *Subject Countries* in these reviews are Mexico and Turkey.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determinations and full first five-year review determinations, the Commission defined a single *Domestic Like Product* that was coextensive with Commerce's scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determinations and first full five-year review determinations, the Commission defined the *Domestic Industry* as all domestic producers of the *Domestic Like Product*.

(5) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

Participation in the proceeding and public service list.—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission's designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post-employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008).

Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation or an earlier review of the same underlying investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Charles Smith, Office of the General Counsel, at 202–205–3408.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.—Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this proceeding available to authorized applicants under the APO issued in the proceeding, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the proceeding. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification.—Pursuant to § 207.3 of the Commission's rules, any person submitting information to the Commission in connection with this proceeding must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will acknowledge that information submitted in response to this request for information and throughout this proceeding or other proceeding may be disclosed to and used: (i) by the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in

internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements.

Written submissions.—Pursuant to § 207.61 of the Commission's rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is 5:15 p.m. on October 2, 2025. Pursuant to § 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is 5:15 p.m. on November 14, 2025. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings. Also, in accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the proceeding must be served on all other parties to the proceeding (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the proceeding you do not need to serve your response).

Please note the Secretary's Office will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

No response to this request for information is required if a currently valid Office of Management and Budget ("OMB") number is not displayed; the OMB number is 3117 0016/USITC No. 25–5–652, expiration date June 30, 2026. Public reporting burden for the request is estimated to average 15 hours per response. Please send comments regarding the accuracy of this burden estimate to the Office of Investigations,

U.S. International Trade Commission,
500 E Street SW, Washington, DC
20436.

Inability to provide requested information.—Pursuant to § 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to § 776(b) of the Act (19 U.S.C. 1677e(b)) in making its determinations in the reviews.

Information To Be Provided in Response to This Notice of Institution

If you are a domestic producer, union/worker group, or trade/business association; import/export *Subject Merchandise* from more than one *Subject Country*; or produce *Subject Merchandise* in more than one *Subject Country*, you may file a single response. If you do so, please ensure that your response to each question includes the information requested for each pertinent *Subject Country*. As used below, the term "firm" includes any related firms.

SUPPLEMENTARY INFORMATION:

Background.—On September 14, 2009, the Department of Commerce ("Commerce") issued antidumping and countervailing duty orders on imports of certain kitchen appliance shelving and racks from China (74 FR 46971). Commerce issued a continuation of the antidumping and countervailing duty orders on imports of certain kitchen appliance shelving and racks from China following Commerce's and the Commission's first five-year reviews, effective March 12, 2015 (80 FR 12983) and second five-year reviews, effective October 15, 2020 (85 FR 65345). The Commission is now conducting its third five-year reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission's Rules of Practice and Procedure at 19 CFR part 201, subparts A and B, and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

In its original determinations and its expedited first and second five-year review determinations, the Commission found two *Domestic Like Products*: (1) certain refrigeration shelving and baskets for refrigerators, freezers, combination refrigerator/freezers and other refrigerating or freezing equipment ("refrigeration shelving"); and (2) certain oven racks, side racks, and subframes for cooking stoves, ranges, and ovens ("oven racks").

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like*
