| 161 | MANDALINA   | Eden Garden        | 8-495-989-12-78  | I represent Eden Garden Company. eden garden's strategy is to bring a broad and well balanced line of secure, high-quality fruit and vegetables to strategic retail customers. This is made possible through detailed knowledge of our customers (their Fruit & Vegetables strategy, goals and people) and ever increasing control over the entire value chain. In an environment of increasing (and differing) demands on the part of retailers, Eden Garden has the tools to continually meet these. Today we are interested in partnership for delivery tangerines, pineapple, tomato cherry. Could you please send me your prices for tangerines, pineapple, tomato cherry (CIF for St.Petersburg / Novorossiysk). 2 containers per month. | RUSYA      | <a href="mailto:info@eden-g.com">info@eden-g.com</a>                       | 24 Ekim 2016 |

Our business is focused on trading in all kinds of fresh fruits and vegetables as I represent the head of fruits and vegetables auctioneers community in Jeddah, Saudi Arabia. Our business is based on commission as we charge 5% of the total amount. Fruits and vegetables usually shipped in containers through ships that arrive to Jeddah port as we have our customs clearance agent that will take care of all the shipments that will arrive to Jeddah either by sea or air. Fuits and vegetables packaging is very important as it reflects on the price and the demand of the product.
